

A FIRE RIG LIKE THIS has been purchased by the New Lenox fire protection district so that the area now has apparatus that meets the requirements of the National Fire Underwriters and is thus able to avoid any increase in insurance rates. The new truck, a high pressure pumper, is scheduled for delivery about March and will cost the district approximately \$18,000.

New Lenox Fire District Buys \$18,000 Pumper

A new high pressure pumper—with a capacity of 750 gallons per minute—equipped to carry 500 gallons of water and 1,600 feet of hose, has been purchased by the New Lenox fire protection district from the John Bean Co., of Lansing, Mich. Delivery is scheduled for about March 1. It cost approximately \$18,000.

This addition to the equipment will give the district five pieces of apparatus, a tank truck to transport additional water,

three pumps and an emergency vehicle used to carry lights, tools for rescue work and an inhalator.

The two pumps on hand do not have the pumping capacity of the rig on order. When it is delivered New Lenox will have sufficient equipment that is if hydrants were available thru out the district it would merit a class 8 rating by the National Board of Fire Underwriters, it was said. These ratings determine the insurance

rates.

New Lenox has a Class 9 rating and several months ago the National Board of Fire Underwriters threatened to relegate the area to a Class 10 rating, which would bring about a substantial boost in insurance costs. Now the Class 9 rating will be retained, it was stated. Cherry Hill, which is a part of the district, does have hydrants and so that section is expected to benefit as a result. As far as equipment is concerned

Cherry Hill should have an eight-rating with delivery of the new pumper, it was said. The new pumper will carry 400 feet of high pressure hose with an inner diameter of three-quarters of an inch. The hose bed in the truck will carry 1,200 feet of two and a half-inch hose. With the high pressure system and the type of fog nozzle employed the 500 gallons of water carried on the pumper is the equivalent to five to ten thousand gallons, it was stated.

The nozzle also will throw a spray to protect the person holding it when necessary to work close up to a blaze. The pumper meets all the specifications of the underwriters, the district trustees stated.

The vehicle was purchased by the trustees, Fred H. Scheel, president; John E. Francis, secretary; and Amos Bruns, treasurer, and officers of the department, Frank Vally, chief, and Otto Bornet and Dale Drake, assistant chiefs.

Christmas Vespers Set For Sunday At 3 O Clock

Christmas Vespers, which has become an annual affair at Lincoln-Way high school, will be given Sunday afternoon, Dec. 18, by the music and dramatics departments. The program is scheduled to begin at 3 o'clock.

The first portion will consist of selections by the band and chorus under the direction of Robert C. Taylor and Tom D. Olson, respectively.

Part II will center on the Christmas story, according to the gospels of St. Luke and St. Matthew. In this presentation the band and chorus will be assisted by members of the dramatics department under the direction of Melvin Donoho, who will stage various scenes in tableau.

The stage settings for these scenes have been designed and constructed by the art department under the direction of Kenneth Kinney.

The program: The Holly and the Ivy...Trad-

Lions Club At N. Lenox Seeks Toys, Clothes

Good used clothing and toys are being sought by the Lions club of New Lenox in preparation for its annual distribution of Christmas baskets.

The baskets which will also contain canned goods as well as those items associated with the yuletide, will be distributed in the village and the township.

Persons with such toys and clothing are asked to deliver them to the homes of Glenn Vally, 630 N. Cooper, and Roy Pfeiffer, 152 Oak View, in New Lenox.

Earl Moss, president of the New Lenox Lions club, said that a windshield washing project will be staged in the village on Sunday, Dec. 18, to raise funds to help fill the baskets.

Report Airlift TV Lessons Will Get Off To Early Start

Mokena public school children are among the more than half a million pupils in six Midwestern states are waiting to tune into the first lessons ever telecast from an airplane, according to a survey conducted by the Midwest Program on Airborne Television Instruction.

Based at Purdue university the experimental project starting early next year will beam instructional courses on video tape from an airplane flying high over Indiana to schools in that state and parts of Illinois, Kentucky, Michigan, Ohio and Wisconsin.

The Mokena school board approved the \$250 application fee at their November meeting and set aside further action on obtaining equipment for the school until the program was closer to being a reality. Now, that the experimental stages are definite, the board will take steps to obtain proper equipment the instructions are put on the air.

Reports gathered from superintendents and principals of local school systems in the telecasting region show that 526,518 pupils in 16,939 TV-equipped classrooms, assisted by

Mokena Man Dies In Hospital

William F. Verschoore, 59 years old of Mokena, died Saturday, December 10 in Silver Cross hospital following a lingering illness.

Born July 15, 1901 at Atkinson, Ill, he started working for the Rock Island Railroad September 1, 1926 at Atkinson and was transferred to Mokena in 1934 as section foreman; he was also a part time employee of Cooper and Hostert garage.

Survivors include his wife Adeline, nee Deist; two daughters, Mrs. Arlene Hutchison and Mrs. Marie Schwenger both of Geneseo, Ill.; his father Peter Verschoore, Atkinson; three sisters, Mrs. Carl (Katheryn) Croegaert, Atkinson; Mrs. Fred (Edna) Bouwens of Geneseo and Mrs. Jack (Lillian) Jones of Green Rock; two brothers Ray of Geneseo and Clarence of Atkinson and several grandchildren.

Funeral services were conducted Tuesday from the Sonntag, Burgess and Wylie Funeral Home, Joliet with the Rev. Robert H. King, pastor of the Mokena Methodist church officiating. Burial was in St. John's cemetery, Mokena.

Arrangements were in charge of Zechlin Funeral Home, Frankfort.

Police May Lease Car At New Lenox

New Lenox recessed its regular meeting of Dec. 7 to Dec. 21 in order to take new bids on a squad car. The village board has asked for bids for the Dec. 7 meeting. Only one bid was received. At the same time a firm submitted a proposal to lease a car to the village.

From information obtained from comparable municipalities where the lease method has been used it is cheaper to rent than to buy, according to Trustee Eugene McGowney, who also is police commissioner.

The board declined to make a purchase on only one bid so it was rejected and the meeting recessed to next Wednesday so more bids could be sought. Besides asking for a bid on the purchase of a car the village is also asking for lease proposals.

Trustee Keith Hossack, who serves as street commissioner, reported delivery of a new snow plow blade and undercarriage for mounting it on a truck owned by the village. The blade, described as a "one-way" type, cost approximately \$1,000 with the mountings. The village also purchased a cinder spreader for \$250 and thus is prepared to combat winter.

The sewage treatment plant was scheduled to have been completed by last Sunday, Dec. 11, but there were delays and so the contract time has been extended by the village board for 30 days. It was expected the plant would be ready around the first of the year and could be put in service then. Until the treatment plant is ready the sewer system cannot be used, it was pointed out.

100 Attend Summit Hill Open House

More than one hundred parents, children and friends attended Open House held at the new Summit Hills School last Saturday night and enjoyed touring the school building meeting and visiting with Charles Rellis, principal, his staff, and members of the Boosters Club.

During the evening, a plaque was presented by Mrs. Marvin Roglie, President of the Boosters' Club, to Edward G. Feeley, Aubury Hills developer, in gratitude from the parents of Summit Hills School District 161, Hostesses for the event, Mesdames Arthur Fife, Wm. Watkins, Clarence Lauffer and Fred Hentsch, served coffee, punch and cookies from a beautiful serving table decorated in the school colors of gold and black.

Mrs. Thomas Tanis, membership chairman, and Mrs. Robt. Dickerson, treasurer, were in charge of a membership booth while the guest book was in charge of six room mothers, namely Mesdames: Guido Gini, John Langland, Einar Monson, Wm. Doogan, Joseph Markos, Jr. and Vernon Crowder.

Motorist Turns In Fire Alarm, Saves Dwelling

A passing motorist who drove to a phone and called the New Lenox fire department Sunday is credited with saving the home of Joseph Scott, on Parker road. The dwelling, a two story structure, is believed to have caught on fire from chimney sparks.

The passerby, who did not identify himself, told firemen when he called in the alarm at 7:45 a.m. that the roof was ablaze. Firemen had the blaze under control within a few minutes after arrival with little damage from smoke or water. The fire was confined to the roof.

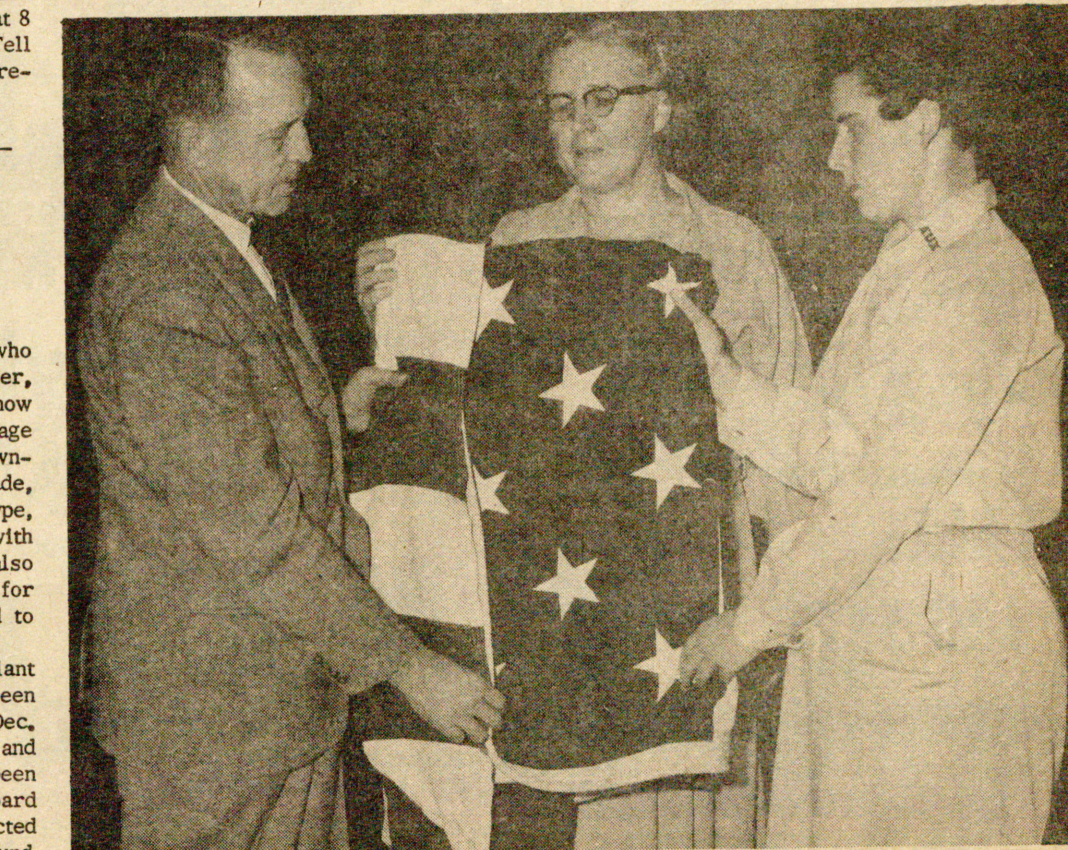

Mokena Woman Dies Suddenly

Apparently, stricken by a heart attack, Mrs. Mary Bredahl, 61, died late Monday afternoon at the home of her daughter, Clara, Mrs. Floyd Peterson, 20020 Wolf rd., Mokena, by the time a doctor and an inhalator squad could reach the scene.

The inhalator from the Mokena volunteer fire department, responded to the call.

Mrs. Bredahl came to Mokena with the Petersons in October. Previously they had resided at Chicago.

Removal was to the West End funeral home, Chicago Heights. The body will be taken from there to Rockford where funeral services are to be held.

Present Panel Show At L-W Meet

The Mokena Grade school provided the program and entertainment at the December 5 meeting of the Lincoln-Way Area Teachers Association held in the local school gym. Some 80 teachers of the area grade schools and Lincoln-Way high school attended.

A panel discussion was presented by the eighth grade students under the supervision of Miss Mary Donahue, English teacher. The topic "What I Want to be When I Grow Up" was presented by Terry Warning, Chairman; Georgeann Janner, Denny Cappel, Irene Geuther, Robert Horras, Carol Benson, Tom Hamilton, Terry Muehler, Mike Ingram, Betty Niedringhaus, Sarah Sippel and Kathy Fortman.

The Girls Ensemble, under the direction of Mrs. Jean Clark of the music department, sang three numbers.

Saxton Loses In Suit Over Lift Station

A suit asking \$482, representing final payment on a sub-contract in the Mokena sewer project, was disposed of by Police Magistrate Herbert Folkers at Frankfort Monday afternoon.

Folkers gave judgment in the amount sought to the Lindblad Construction company, of Joliet, and against Blaine Saxton, Mokena. At the same time the court dismissed the counter-claim of \$603 which Saxton had filed against the Lindblad company.

Saxton indicated he would appeal. The appeal can be taken within 20 days to either the county or circuit court.

In reaching his decision Magistrate Folkers pointed out that Saxton, the prime contractor on the sewer installation, had retained the services of the Lindblad firm to build a lift station in front of the VFW hall on Wolf road. The price came to \$4,825 and on Nov. 14, 1958 paid Lindblad 90% of the sum, \$4,342.50, leaving a balance due of \$482.50. The work was completed by Dec. 26, 1958, but between that date and the latter part of March the Lindblad firm put in further work on the interior of the concrete underground structure to meet deficiencies which the project engineer, Robert Hamilton, had pointed out to Saxton. The work was finally approved and accepted by the engineer, along with the rest of the project, in April, 1959.

Folkers further pointed out Saxton had produced no proof that he had ever made any demands upon the Lindblad company for work and material he said he used in doing work on the lift station that he now contends should have been done by the sub-contractor; nor did Saxton make any claim against Lindblad until after the latter firm had filed suit against him on Nov. 14, this year. Saxton filed his counter-claim Nov. 19.

Lindblad Construction Co. was represented in court by Ray

Lindblad, president, and Attorney G. Britt Barr, of Barr, Murphy & Timm. Saxton had no attorney, nor had he summoned any witnesses. After the plaintiff had put in his side of the case Saxton asked that the case be continued so he could get his attorney and some witnesses. The court pointed out he had had ample notice of the hearing and should have been prepared. He also pointed out that has Saxton asked the continuance at the beginning of the hearing when the magistrate asked him if he had an attorney and if he were ready to proceed, it would have been granted.

Saxton testified and in the course of his testimony and thru questions asked of Lindblad and Hamilton (the latter was also a witness) he complained that the plaintiff's work on the concrete was faulty and that he had had to do considerable work to "make it right."

Election of officers was held last Wednesday, Dec. 7 for the Orland Park Homeowners Association at the American Legion Hall. New officers are: Jack Waterman, president; Bill Bishop, vice president; Wen Seng, treasurer; John Quinlan, recording secretary; Les Money, corresponding secretary; and Roy Martin, publicity and public relations. A social hour was enjoyed following the business meeting.

Mr. and Mrs. B. J. Bishop, Billy John and Pamela spent the weekend with the latter's parents, Mr. and Mrs. L. J. McWilliams in Rock Island. While there they celebrated their daughter Pamela's first birthday.

Mrs. Arthur Oesterle, Mary Catherine and Jimmie spent Sunday shopping in the loop in Chicago.

Mrs. Wen Seng was hostess last Thursday to the neighborhood bridge club. Mrs. Alyce Bishop and Mrs. Barbara Simon were winners. The group's Christmas party will be held tonight (Thursday) Dec. 15 in the William Shell residence on Hyacinth Drive.

Mr. and Mrs. Maurice Broderick at 10249 Hawthorn Drive are the parents of a baby girl born November 27. She has been named Carol Anne and will be a playmate for two brothers.

Patty Simon celebrated her second birthday Tuesday with the help of her sisters Carol and Judy.

Dedicate Later

Frankfort will dedicate its new sanitary sewer system with ceremonies at the treatment plant -- but not immediately. Weather being so unpredictable at this season village officials have decided to delay the dedication until late spring rather than try to maneuver such a program between sleet, deep snow or just plain sub-zero temperatures.

Musical Bells Add Color To Wayfarers Yule Party

The Wayfarer's Christmas party was held Saturday evening in the home of Mr. and Mrs. Clarence Gerri, Denny ave., Mokena. There were 30 members present from Mokena and Tinley Park.

The opening program consisted of readings about "The Meaning of Christmas". Carols were sang and a candle lighting ceremony presented.

Mrs. Irma Schmidt, of Tinley Park, presented an unusual program entitled, "Bells Ring For Christmas". The bells which she used were imported from Pakistan. They were over-laid with gold and a beautifully design engraved thereon. Mrs. Schmidt, wearing a special gown, with a design of gold thread, depicting the special occasion, was impressive as she told the Christmas story which the bells, with their lovely tones, enhanced.

Mrs. Schmidt, starting Monday, is giving a Christmas program, with the bells, at the Bell Savings and Loan Association 79 W. Monroe St., Chicago daily until Christmas. She also has a lovely voice will sing Christmas songs, accompanied by organ music.

She is the daughter of the Rev. and Mrs. Montgomery of Columbus, Ohio, and while they were traveling in the eastern countries, a few years ago, obtained these 16 bells. The Rev. Mr. Montgomery is a member of the board of missions of the Methodist church.

Fight Move To Cut Rock Is. Service

Hearing on the petition of the Rock Island railroad to consolidate and discontinue numerous trains now in commuter service is scheduled for 10 a.m. next Wednesday, Dec. 21, before the Illinois commerce commission at 160 N. LaSalle st., Chicago.

According to information obtainable practically all of the communities served will be present at the hearing to enter protests. The railroad unions will also have representatives there to urge that the trains be kept running.

Most of the trains affected will be those operating between Chicago and Blue Island.

Gordon E. Cox, Illinois legislative representative for the Order of Railway Conductors and Brakemen; T. J. Duggan, chairman of the Brotherhood of Locomotive Engineers, and P. J. Ward, chairman of the Brotherhood of Railway Clerks, are scheduled to voice protests at the hearing Wednesday.

In a statement made this week Cox urged commuters to attend the hearing and enter objections.

"We need the service that the working public can get to their jobs," Cox said. "Without the commuter train service we would never be able to get all of the automobiles into the Chicago loop that it would take to carry these people."

"I feel if the Rock Island were allowed to make this consolidation and discontinuance it would work great hardship on the traveling public and the

towns along the right of way. "The equipment on some of the trains should not cost the railroad anything as it is so old the upkeep should be very little."

Asks O.K. Of Rate Cases

Texas Eastern Transmission Corporation has filed with the federal power commission a proposed settlement of its two pending rate cases. The company stated that 99.44 percent of its affected customers had agreed to the proposed settlement. The agreement requires approval of the FPC before it can become effective.

Orville S. Carpenter, president of Texas Eastern, said that the proposed agreement provides for refunds by Texas Eastern for the period prior to September 1, 1960, of \$27,419, \$75, plus interest at 6 percent per annum, with additional interest and refunds accruing from that time until the final effectiveness of the settlement agreement.

The settlement proposed to make new rates effective as of September 1, 1960, Mr. Carpenter said. He also said the settlement would not be effective until it was finally approved by the FPC and that he did not know when such action might be taken.

Texas Eastern began collecting increased rates, subject to refund on November 10, 1957 on the first rate increase application and on December 1, 1959, on the second.

Editorials

'God Bless Us Everyone,'

(Our editorial this week was written three years ago as the Christmas message of the Rev. Paul H. Sanders, pastor and head of the Community Center Foundation at Palos Park. It was used again this year because when the Foundation's letter for December was published the Rev. Mr. Sanders was undergoing a check-up at a Chicago hospital. Thus he was prevented from writing his annual yuletide message and those putting the letter together fell back on one written three years ago. We believe you will enjoy reading it and so with the kind permission of the author are reproducing it here. We are glad to add that the Rev. Mr. Sanders is now out of the hospital and will be able to take part in all the Christmas festivities at the Foundation.)

"The chapel is beautifully decorated for the Advent Season. There are a warmth and glow within its walls. The advent candles stand in the chancel. Without, there is a slight feeling of snow in the air; the sky is overcast, a beautiful dull grey. The shops are showing their Christmas wares and their windows tell many stories of the season. Shoppers are beginning to rush here and there, buying gifts for the coming Christmas Day. The general atmosphere bespeaks of mystery and expectancy. This is that glorious season of the year known as Advent. It is the period in preparation for the celebration of the anniversary of the birth of the Christ Child. "Years ago, I reacted against the early preparations for Christmas. In some old News Letters I find I thought it was commercializing the sacred day. As years go on, I realize how rich and wonderful this before-Christmas season can be. The sacred and happy memories and the joy of anticipation all add up to making Advent the most wonderful time of the year. I have tried to analyze how one can get the most out of it, and I have arrived at four aspects I should like to share with you.

"First, and most important, I feel, is to understand its deeper spiritual phase. We celebrate Christmas as the anniversary of the birth of the Christ Child. This should have deep significance because of the place Christ has in our lives. It is because of and through Him that we come to know a loving God. It is through Christ that we find a richer and more meaningful way of life. The most beautiful carols and sacred music have come into being centered around His birth. The four Sundays before Christmas, known as Advent, are days of preparation in our lives for this great event. They bring us a deeper meaning and prepare our minds and hearts for the rebirth of the Christ Spirit in us. If this is possible, Christmas Eve and Christmas Day have a deeper, richer meaning.

"A second aspect that enriches this season is the giving of gifts and sending Christmas cards. This can become a chore and a burden, but if you will follow through my first suggestion, the second aspect flows naturally from it. The Wise Men of old brought gifts to the Christ Child, not because it was required nor because it was an obligation; theirs was an act of love and gratitude. In this, they set the pattern for us. One of the joys of Christmas is the privilege of giving gifts to our loved ones and friends. If it is a gift of love, it is never a burden. There is also a lot of fun in planning and obtaining the gifts. (The joy of opening presents on Christmas Eve or Christmas morning is a fond memory for all.) Let us remember that when this experience becomes a burden, we have lost something in our lives that needs to be regained. The giving and receiving of Christmas cards and messages also symbolizes the same act of love and thoughtfulness. Oftentimes, friends renew their relationships only through this annual custom.

"The third aspect I should like to mention is the traditions that have grown up around the day. The Christmas tree, the hanging of the greens, and the singing of Christmas carols all add richness to our lives. There is also the hanging of stockings in front of the fireplace, the Yule log service, and many family traditions that are sacred to each family. Many of these things are often climaxed by the midnight Christmas Eve service at the church. These are a few of the customs which have enriched our lives at this happy season of the year known as Christmas.

"The fourth aspect is one that might be hard to define. It is the Christmas spirit. It is that mystical something that enters our lives and makes us more thoughtful, more loving, and more considerate of others. It is that which opens our hearts and minds to the needs of others and to the joy that comes in giving of ourselves. It is a time when, no matter how selfish or self-centered one may have become, one finds himself outgoing and a bit more selfless.

"There is even a deeper experience that I have known as I have walked on the hilltop in the cold December nights and, looking up at the stars, realized how eternal is God in this great universe.

"Our prayer for you at this Advent Season is that the beauty and richness of this experience not escape you and that Christ may be born again in your heart and, regardless of your circumstances, some of the joy of this Advent Season may abide in your heart and mind.

As Tiny Tim would say, 'God bless us every one!'

On Second Thought

By GLENN F. LOGAN

"Santa Claus," said Jeff Throblebottom, searching my desk for a piece of blank paper, "is undoubtedly the most powerful figure in the world today."

"A butter job, eh?" needed the man at the next job. "With Christmas practically upon us such an observation on your part could be construed as a self-serving statement. I didn't hear you boasting Santa last year. Come to think of it I never heard you building up jolly St. Nick at anytime."

"I have seen you giving a bright hello to some other fat people from time to time who appeared to have some connection with the brewing and distilling fields but this is the first time I have known that you were a Santa Claus man."

"Don't attempt to be a cynic, my boy," Jeff retorted, and began making notes on a piece of paper he had finally come up with. "It'll become you."

"I would have you know," Jeff continued, "that my wants are simple and few and that I am not looking to Santa Claus for anything."

"I am a bit old for toys and the jugs that have come my way at this time of year certainly did not come from the good St. Nick. I am sure that if they had the quality it would have been better. No, I speak sincerely when I say that Santa Claus is the most powerful figure in the world today."

"Empires and kingdoms that once dominated the world have vanished and their rulers mere names that rise to plague history classes. But Santa Claus lives on and his realm is as great and far-reaching as it was in the beginning."

"He is truly a royal personage and is received as such wherever he goes."

"He crosses borders of any land and no custom officer even so much as approaches him to say there will be no examination of his luggage."

"He sails across the skies of Russia and all the other countries behind the Iron and bamboo curtains and no one loses a missile at his craft or attempts to intercept him."

"It is not surprising that he gets special red carpet treatment in our country. Uncle Sam and Santa Claus are kindred spirits, as the taxpayers are well aware when they read of how their dollars have been showered on other peoples. The difference is, of course, that the other peoples forget Uncle Sam but they remember Santa."

"Santa Claus is really quite figure," Jeff went on. "The U.S. Dept. of Labor, has been warning firms that deal in interstate trade of they must not do if they employ teenagers."

"Such youngsters must be at least 16 to work in general occupations and at least 18 if employed as a motor vehicle operator or helper, an elevator operator, or operators of various types of power machines."

"But Santa Claus in his North Pole workshop is under no such restrictions. He may employ young people, old people; the sound and the infirm; he has no labor trouble; he has no production difficulties and few shortages of material. His plant may operate long hours, short hours or on shifts."

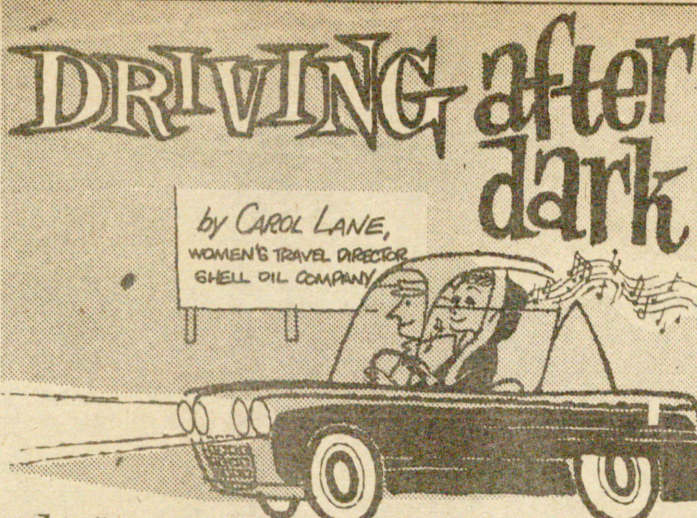

"He has no forms to fill out, no auditors to explain to, no directors to contend with, no government bureaus to bother him. Even the internal revenue department gives Santa a smile and never a cross word or a citation."

"In fact I can't think of anyone who isn't glad to think of meeting with Santa Claus and who isn't a little happier for having such a thought."

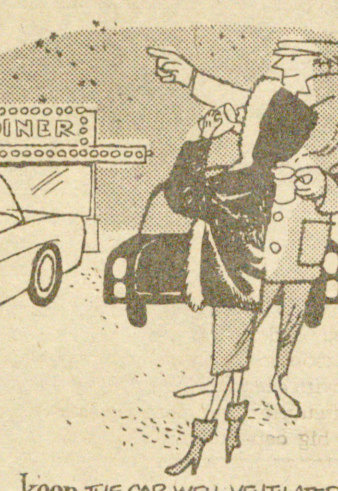

Jeff stood up, shrugged on his overcoat, helped himself to my tobacco stock, satisfied himself the cups were only for coffee, and as he turned to go tossed the piece of paper, on which he had been scribbling, onto the desk.

"My Christmas list," he explained, "the list of things I would like for Christmas. Perhaps you will be suck—er, I mean kind enough to see that it gets to Santa or one of his authorized agents. An agent, I might mention, with a heart and a well-filled purse."

"You see," Jeff added, "this is my incoming Christmas list. I will take care of the outgoing items thru other channels. I wouldn't want anyone to think that I was expecting something for Christmas but it's all right if I ask Santa — after all that is his business, getting things people want for Christmas. So long."

the short DAYS OF WINTER MEAN MORE AFTER-DARK DRIVING. FOR TOPS IN SAFETY, FOLLOW THESE MORNING TIPS:

TURN ON PARKING LIGHTS OR HEADLAMPS AS SOON AS THE AFTERNOON DAYLIGHT BEGINS TO DIM. GO BY THE SKY, NOT BY YOUR WATCH.

ON THE ROAD, TAKE FREQUENT BREAKS. WALK ABOUT IN THE COLD AIR TO SHAKE UP YOUR REFLEXES, OR STOP FOR REST AND COFFEE.

KEEP THE CAR WELL VENTILATED, AND GO EASY ON THE HEATER. PLAY THE RADIO. EYE STRAIN CAN MAKE YOU SLEEPY. AVOID GLARE OF ONCOMING CARS BY LOOKING TO RIGHT SIDE OF ROAD. IF YOU FEEL SLEEPY, ROLL COMPLETELY OFF THE ROAD AND TAKE A REFRESHING NAP.

The yields of the soybean varieties planted by Herbert Kohl, Matteson, are as follows:

VARIETY	YIELD-Bu. per Acre
Ford	35.95
Adams	35.38
Shelby	33.53
Chippewa	30.31
Harosoy	30.19
Hawkeye	29.85
Lindarin	28.69

The three high yielding varieties are not really the most readily adapted to our area of Illinois. It is possible that in some years these varieties, particularly Adams and Shelby, could be nipped by frost before they are actually mature. They are recommended for the central two-thirds of Illinois. The County Extension staff appreciates the effort put forth by Herb in planting and harvesting this soybean variety trial.

Carl Mees, Cook County Farm Adviser, and I attended the Vegetable Growers Association of America annual meeting recently. George DeVries, Evergreen Park, now past president, presided at the meeting. Bill Lorenz, Chicago Heights, president of the National Jr. Vegetable Growers Association, spoke at the annual meeting about the activities of the junior association. John DeJong, Lansing, also attended the meeting. The meeting dealt with many timely topics of great interest to vegetable growers. They discussed such topics as production problems, including weed, insect, and disease control, marketing, and the labor situation.

I attended the annual meeting of Camp Shaw-Waw-Nas-See, during the last of November. Attendance at camp last year was about the highest ever. We will be camping in 1961 during the last week of June - June 26-30. If thoughts of summer and camping has some psychological warming effect on you at this time of the year, why not plan to be a part of our camping program by acting as a counselor. This year we will need fourteen adults - ten women and four men. Fees of the counselors are paid. It is a real experience to spend a week at

camp with 250 enthusiastic 4-H Club members.

The County 4-H committee met recently and made some changes in the format of our county 4-H club program. We hope these changes will result in the improvement of the program and maintain and improve the interest on the part of 4-H members. The changes made will be reported at some future time. Those attending the meeting from this area were: Mrs. A. E. Wolf, Chicago; Mrs. Ralph Johnson, Melvin Hoger, Herbert Kohl, Homewood; Mrs. Carl Johnson, Richton Park; Henry Veldhulzen, Glenwood; Mrs. Phyllis Harris, Park Forest Assistant Youth Adviser and Mrs. John Schulte, Park Forest.

The sheep flock of Arthur Maue of Tinley Park was enrolled in the Illinois Sheep Production project conducted by the University of Illinois last year. This flock rated high in the production summaries I just received. This is another example where good records tell an informative story about elements of the farm business.

Business & Finance

BY MAURICE P. ANGLAND
This is the period when most newspapers and magazines will be carrying surveys of predictions as to general business in 1961.

Chicago's First National Bank business review notes that consumer income has been rising in each of the last eight months with improvement in retail sales, but that preliminary figures for November indicate that retail sales do not show previous rate of increase. However, many analysts predict that retail sales this Christmas season will approximate or exceed previous records.

Some of the analysts continue to point out that the service industries have had employment increases in contrast with unemployment in the manufacturing fields. The service industries have, of course grown with the trend to shorter hours, greater hourly wages and more leisure time. Greater leisure has had its effect on many activities as publishing, boating, and manufacture of sporting equipment, etc. Few observers expect this trend to reverse itself for any extended period.

It would seem, from a scanning of business reports, that the main effects of business slow down are being felt in those industries often referred to as "Prince and Pauper". This includes steel industry and automotive as well as those industries which manufacture machinery used in heavy manufacturing. These latter industries usually show a greater cyclical change in total business and earnings, than is experienced by those industries which are closer to end products sold to consumers.

In spite of lower interest rates, residential housing starts, are not expected to show substantial upsurge. The 1960 housing starts are expected to show about 1.2 million in 1960 and 1.3 to 1.4 million in 1961. In some areas the rate of housing vacancies has shown some rise. Apartment hunters in the cities will have the scales slightly tipped in their favor. Automobile sales are expected to end the year at about 6.6 million cars and 1961 likely to be something close to seven million. Certainly not a bad year.

The Investment Bankers Association held its annual meeting in Florida a few days ago. As usual their views on business and the securities

markets, were closely covered by newspapers and magazines. It is reported that as to the stock market, the preference and emphasis was on oil, gas and utilities. The leading oil shares have seemed to be attractive for some time.

As to electric utilities, they seem to offer defensive characteristics as protection against general business declines and also growth characteristics.

Electric utilities have been showing from eight to ten per cent annual growth. It is only a few years ago this annual growth was closer to five per cent.

The Kennedy appointments and indications of what to expect from the new administration, indicate, that little change is likely. However, the concentrated unemployment situation in the steel and automotive areas, has not made itself felt as yet. Leaders of the automobile and steel unions must fight hard for their areas, regardless of effects on the economy as a whole.

It must be remembered that these leaders are prisoners of their own power and demand for their areas or be replaced by other leaders who will.

The Upper Room

READ II CORINTHIANS 5:14-21
He died for all, that they that live should no longer live unto themselves, but unto him who for their sakes died and rose again. II Corinthians 5:15, ASV.)

We went to Japan when our daughter was two, and she had no recollection of Christmas. In our remote mountain village there were few evidences of a Christmas as celebrated in our homeland. Her own birthday was still fresh in her memory. So we explained that the Christmas we were all talking about the preparing for was Jesus' birthday. She watched with interest as the little pile of presents grew on the table, when Christmas morning dawned, and we began to hand around the presents, a

prayerful look came on her face. "But it's Jesus' birthday," she finally burst out. "Aren't the presents for Him?"

These words spoke to our hearts. All that so many of us enjoy at this season is the result of Christ's coming. Yet often we are so concerned with material gifts for others and ourselves that we forget the purpose of Jesus' coming. Let us give Him first place in our lives and use our material possessions in ways which please Him.

PRAYER: Dear Father, we thank Thee for Thy great love which gave Thy Son for all mankind. Fill our hearts with such love and gratitude that we give our lives in Thy service. In His name, Amen.

THOUGHT FOR THE DAY
A life lived for Christ is proof that we have received new life through Christ.

Chewing Gum Is Ancient Habit, It Seems, Inexpensive One Too

ROBERTS MANN
Conservation Editor
By Cook Co. Forest Preserve
Since ancient times, in many lands, people have found relaxation and comfort in the simple act of chewing some gummy substance. Somehow it relieves muscular and nervous tension. For example, at football, basketball and baseball games you will see some of the athletes and many spectators methodically chewing on wads of gum. On the other hand it relieves the tedium of doing nothing. For those reasons, and because it also relieves thirst, chewing gum was included in the combat rations of our armed forces. Here in the Middle West,

many years ago when we were boys, chewing gum was not sold in stores as it is now. We were always experimenting with things to chew on. One of our favorites was the aromatic, mucilaginous, inner bark of the slippery elm. Another was paraffin wax, used by our mothers to seal glasses of homemade jelly. For a penny we could buy a black stick of licorice and spit like a tobacco-chewing man. We chewed the gummy sap that exudes from wounds in the bark of peach and cherry trees. We chewed beeswax in honeycombs.

Some of the things we manfully masticated were unpleasant, if not sickening; the sticky sap that bleeds from broken stalks of milkweeds and rosinweeds such as prairie dock and compass plants; bits of tar used in paving streets; and goodness knows what else.

New England colonists learned from the Indians to chew the gum-like resin from spruce trees. In the early 1800's, lumps of spruce gum were sold by stores in eastern states but chewing gum made of paraffin wax, with a pleasant flavoring added, gradually took its place. In the 1860's some chicle was

brought to the United States as a possible substitute for rubber. Chicle is the coagulated milky fluid or latex from the Sapodilla tree that grows in jungles of Central and South America and is closely related to those from which rubber and gutta-percha are obtained. It was discovered to have a springy, chewy quality lacking in paraffin wax, held flavors better, and became the basic ingredient in chewing gum.

The sapodilla is most abundant in the rain forests on the Yucatan peninsula. It becomes very tall and large. To obtain the chicle, a native worker or chiclero climbs a tree and, with a long knife, cuts grooves in the bark so that latex flows slowly down into a container at the base. Collected and taken to a central camp, it is boiled in stainless steel kettles until it thickens. When cool it is molded into 20 or 25 pound blocks, called chicles, which are taken out of the jungle in canoes, on mules, or by airplanes.

A stick of chewing gum has five main kinds of ingredients: the gum base from latexes, powdered sugar, corn syrup, softeners, and flavoring. The flavoring—usually made according to a complex secret formula—may contain oil extracted from one or more plants such as spearmint and peppermint, or from anise, or from a spice such as clove. It may contain some fruit extract, pepsin, or chlorophyll.

There are now 115 chewing gum companies located in 30 countries—41 of them in the United States. On the counters of several stores we found 30 brands. Most of them, with five sticks in a package, sell for the price as they did 20 years ago—5 cents. Or, for one cent, a youngster can buy one stick. What else can you buy for a penny, nowadays?

COLORFUL — What little girl wouldn't like to find a cotton flannel nightgown and robe under the tree on Christmas morning? In keeping with the season, make the gown in bright red and the robe in white accented with red rickrack. Vogue Printed Pattern 2879 gives sewing instructions for both the lace-trimmed gown and the robe with its big cape collar.

Open House To Follow Yule Program At School

An open house for the new Marley school will be held in there following the Christmas program on Tuesday night Dec. 20. The program featuring a Christmas play and songs by the pupils will begin at 7:30 o'clock. Refreshments will be served. The directors Mrs. Mary Griffin, William Loucks and William Little will be hosts, assisted by the teachers, Mrs. Rose Weger and Miss Joanne Painter. Everyone is cordially invited. The school will close on December 21 for Christmas vacation and open again on January 3 for regular sessions.

An English springer spaniel, trained by Steve Studnicki of Marley, won the national championship at a three day trial at the Busch wildlife area at Weldon Springs, Mo., last weekend. The field trial champion, Carswell Contessa, six years old, bested a field of 41 dogs to capture the 1960 championship.

The dog was handled by its owner, Mrs. Philip Armour Jr. of Chicago. Besides winning the national title Mrs. Armour also was awarded the best amateur handler trophy. The victory also established two other firsts. It was the first time a woman

ever handled a national winner and the first time an amateur ever won the title.

The Marley Woman's club met at the home of Mrs. Alma Brown on Dec. 8 for their annual Christmas dinner party. A bountiful turkey dinner was served at noon from white linen covered tables centered with Christmas arrangements, by Mrs. Brown and Mrs. Clayton Cleveland. After the dinner the group enjoyed carol singing with Mrs. Ruth Lindberg at the organ. The program on Christmas carols was presented by Mrs. John Peciniak. Secret Pals were revealed with gifts and new ones were drawn for the coming year. A gift was presented to Mrs. William Dudlick and her son Billy, from the group. Mrs. Irene Schwab was welcomed as a new member. The hostesses for January will be Mrs. Brown and Mrs. Peciniak.

Mrs. Adella Sproat was a dinner guest on Sunday in the home of Mr. and Mrs. Leonard Hulsing in Lockport.

Louis F. Sass has returned to his home after spending two weeks with his son and family, the Charles Sasses at Plainfield, New Jersey.

Mr. and Mrs. Mervin Moore returned to their home at Santa Clara, Calif., on Sunday, December 11, after spending two weeks in the home of Mr. and Mrs. Clayton Cleveland.

Mr. and Mrs. Clarence Rowley of Plainfield were guests Monday afternoon in the home of Mrs. Adella Sproat. The Twelve Trumps met at the Charles Elliott home Wednesday night for their Christmas party. Mrs. Charles Ingram was hostess. Prizes were awarded to Mrs. Herman Benck, Mrs. Henry Volz and Mrs. John Hasibar. A gift exchange was enjoyed. Refreshments were

Construction Program Of NI-Gas Set At \$215 Million

Northern Illinois Gas company's construction estimate for the five-year period 1961-65 has been set at \$215 million, up \$15 million from the period 1960-64, according to NI-Gas president Marvin Chandler.

Chandler and C. J. Gauthier, NI-Gas vice-president of finance, reviewed the utility's plans and operations at a meeting in California of the Security Analysts of San Francisco, Monday, December 12.

Gauthier said NI-Gas estimates that of the \$215 million total it will obtain \$150 million from outside financing. This figure is up \$10 million from the previous period (1960-64), Gauthier commented.

He said the company is considering common equity financed by the hostess at quarter tables appointed with holiday place cards.

BAPTIST COMMUNITY
Rev. Harold Finley of Lockport will fill the pulpit on Sundays, Dec. 11 and 18.

Worship service—10:30 a.m.
Sunday School — 9:15 a.m.
A Christmas Cantata-Pag-eant, "Tell Us of Christmas" will be presented at 7:30 p.m. by the Sunday school pupils under the direction of Mr. and Mrs. Loren Sass. The adult choir under the direction of Mrs. Edward Sproat and the junior choir under the direction of Miss Alma Lauffer, will sing.

ing in 1961, but the decision is not yet firm.
Chandler explained that approximately \$9 million of the \$15 million increase in the construction estimate will be used for the exploration and development of underground storage facilities, including the proposed storage reservoir near Crescent City (about 90 miles south of Chicago).

The construction estimate also covers transportation of stored gas to the company's distribution network, Chandler stated.

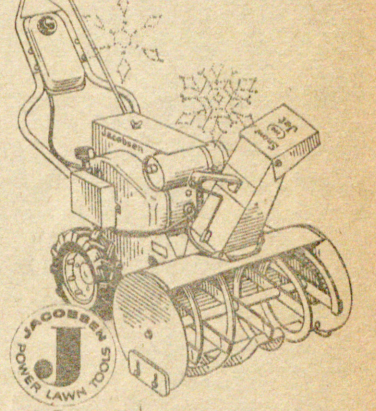

He said the utility's construction estimate for bringing gas service to new customers and to handle increased space heating business has been increased \$6 million for the five-year period. NI-Gas construction expenditures in 1961 are estimated to be about \$43 million, Chandler remarked. Expenditures in 1960 were about \$53 million. Approximately \$10 million

was spent in 1960 for construction of a pipeline from the utility's underground storage reservoir near Troy Grove (Ill.) to its distribution network, Chandler commented in explaining the difference in expenditures.

Homer Social Clubs Entertain During Holiday Season

MRS. ELIZABETH ANDERSON
Tel. TE 8-4846

The Homer Home Bureau Unit was entertained in the home of Mrs. Mary Todd on Parker Rd. on Tuesday, Dec. 13. They enjoyed Christmas luncheon at noon with a gift exchange following the major lesson on Christmas features given by Mrs. Mary Cramer.

The Homer-Lockport Home Bureau unit held its annual Craft Day at the home of Mrs. George Nordstrom in Lockport last Thursday.

The Couples club of Homer church enjoyed a Christmas dinner Friday evening in the church dining room with their families as guests. This group is selling Christmas candy as a fund making project.

Jerry's Texaco Station on 145th St. at 4-A will be known from now on as "Norm's Texaco Station" since Norman Pan-

kow of 139th St. has recently become the proprietor. Norman will be happy to see his Homer friends at the Station.

A group of Homer church people will sponsor the lunch at the Russell Thomason farm sale on Parker Rd. on Saturday, Dec. 17.

Thursday evening, Dec. 15, is the date of the roller skating party sponsored by the Bradford League at the Lockport Rink.

Mrs. Emma West who has been in frail health for some time, was recently removed to the Oak Bluff Nursing Home at Rte. 4-A and Bruce Rd. She was improving at the last report.

Mr. and Mrs. Charles Henry of Joliet, former Homer residents, are the parents of a son, born Nov. 30 at Silver Cross Hospital. The baby will be

called Richard Charles.

Several Homer people attended the annual Pure Milk Assn. meeting at the Minooka school Saturday evening. A delicious dinner was served by the Minooka PTA. Miss Nancy Klett entertained with music throughout the meal. Joe Jopek, assistant farm adviser, showed a dairyland film and David Harris, an assistant director of sales, talked on hopes and problems of the modern dairyman. Election of officers resulted in Fred Wilhelm being named president, William Davison, vice president and Bruce Anderson, secretary and treasurer.

At the annual Homer church meeting held last Sunday afternoon, following morning worship and a tasty pot-luck dinner, reports from all church-affiliated groups showed much activity during the past year. Officers elected were clerk, Mrs. George Burcham; treasurer, Mrs. John White; trustee, Robert Burch; deacon, John Hollister; deacon to fill term of Loren Aspel who resigned, John White; deaconess, Mrs. Frank Townsend; head ushers, John Fillipowicz and George Burcham Jr.; finance chairman, Mrs. Earl Burnworth; assistant Mrs. Ira Anderson; music director, Mrs. James Elvig; junior choir director, Mrs. Theodore Grimm; Sunday school superintendent, John Hollister; Sunday school secretary - treasurer, George Burcham Jr.; Sunday school planters will be appointed by the superintendent.

The Northwest Homer Fire Auxiliary held a successful Christmas party at the Blue Willow Tea Room Wednesday evening, Dec. 7, with 26 members attending. Names of secret pals were revealed and new names drawn for next year. The next meeting will be at the Fire Barn on Jan. 10, when the installation of officers will take place.

Mesdames Gene and Bruce Anderson and Reed Burch were business visitors in Downers Grove on Wednesday.

The infant daughter of Mr. and Mrs. Clinton Mark was baptized Sunday at the Frankfort Methodist church, during the morning service with the Rev. James A. Parker officiating. The name given was Corinne Elsie.

A six o'clock dinner was served in the Mark home in honor of the event to the following guests: Mr. and Mrs. Harry Aggen of New Lenox and Mrs. Amanda Mark of Frankfort, grandparents; Mrs. Sadie Erdmann; Mrs. Arthur Mark and sons, LeVern and Arthur Jr.; Miss Jeanette Sievert all of Frankfort; Thomas Gara of Elmhurst and Mrs. Grace Brower of St. Louis, Mo., who is the sister of Mrs. Aggen.

Lincolnwood TriKena Scouts To Submit Name-Theme For Day Camp

MRS. LEONARD ANDERSON
Tel. HU 5-3651

Brownies of Scout Troop #307 have increased their registration from ten last year to twenty one this year.

They have been divided into three patrols with a new co-leader, Mrs. Robert Taylor having charge of the second grade Brownies, with help from committee mothers, Mrs. Stanley Corcoran, and Mrs. Ed Meyers.

The Brownies are collecting costume jewelry to be sent to Dr. Tom Dooley to help in his work in hospitals in Laos.

Each patrol will make a scrapbook to be presented to a hospital when completed.

The day camp committee of TriKena Scouts are busy planning for Day Camp in June. The committee decided to let the girls submit suggestions for name and theme of Day Camp this year. It will be interesting to see which troop suggests the winning name and theme. Give your ideas to your troop leader before the end of January.

Mr. and Mrs. George Thode and son Kurt, who have resided here for the past several weeks at the Walter Thode home, have moved to Long Beach, California where they will make their home.

COMMUNITY CLUB

The Community Club will sponsor the annual Christmas program and party for the Schmul school children and their parents, Monday, Dec. 19 in the Lincoln-Way high school cafeteria, at 8 p.m.

Members of the Community club are asked to bring Christmas cookies to serve. The usual Christmas program will be held with the school children taking part.

BUSY HOUR

Members of the Busy Hour 4-H club met Thursday night December 1 in the Schmul school, for the final meeting of the year. Achievement awards were presented to the girls at this meeting. Awards for first achievement members were presented to: Karen Erickson, Beverly Otis, Janice Peterson, Kathy Malloy, Donna Guth, and June Swanberg. County Achievement honors were presented to: Betty Jane Malloy, Sandra Kooyenga, Barbara Taylor, Hansena Vanborg, Kathy Hunniford, Judy Owen, and Liz Madden. State honor awards went to: Judy Owen and Barbara Taylor.

Red Cross Records Yule Messages

Have you ever spent Christmas away from home, far from loved ones?

If so, you know how lonely a holiday is for people like servicemen in foreign countries.

This year Red Cross will offer Will County families a chance to record a Yuletide message and send it abroad to relatives in the armed forces. VOICES FROM HOME is the name of the new service, offered this year for the first time by Will County chapter American Red Cross.

Anyone interested in sending a recorded message to a loved one overseas may telephone SA 3-3494 - Joliet for further information and for an appointment.

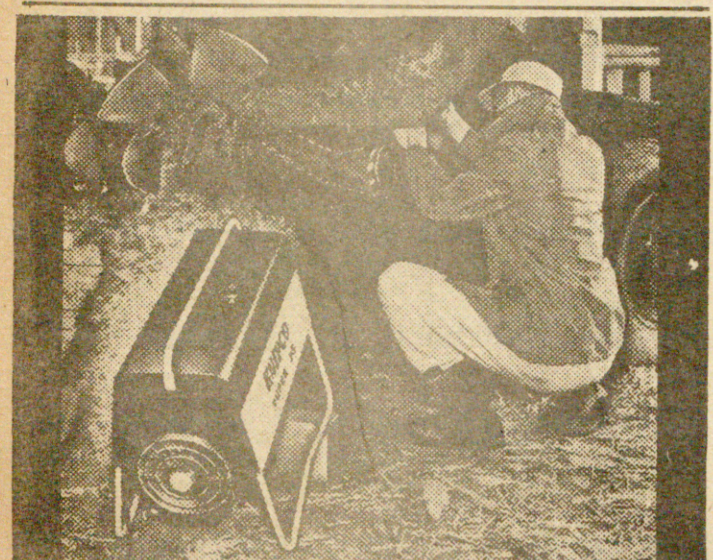

Recording appointments are scheduled to begin Dec. 19, according to present plans.

The service also will be open to foreign exchange students in the county.

If it proves popular, the Voices From Home project will be a year-round service of the local Red Cross chapter, available for other holidays and special occasions.

from The Bible

And herein do I exercise myself, to have always a conscience void of offense toward God, and toward man.

—(Acts 24:16)

What a wonderfully different world this would be if all of us followed St. Paul's example. There would be little need for police forces, prisons, armies and wars if each human being possessed a sensitive, God-inspired conscience and bent his efforts toward keeping it "clean."

On Traffic Jams

One American in three owns a car, compared to one in 12 in England, one in 13 in Switzerland, one in 16 in Germany and one in 14 in Italy.

In car density per square mile, however, the United States is at the bottom of the list. England has 45 cars per square mile, West Germany 33, Switzerland 25 and Italy 12.

PIPELINERS OF ENERGY

Gas flame used to subject nose cone materials to "re-entry" temperatures

Natural gas — industry's most versatile fuel

Natural gas, the ideal fuel for cooking and heating, is a favorite with industry, too. Its versatile energy is used in a thousand ways.

Gas is helping to solve re-entry problems of missiles through the processing of nose cones. And, in contrast, pin-point gas flames are used in fashioning intricate jewelry patterns.

Just a few of the other mounting uses to which the latent energy in natural gas is put:

Processing aluminum, steel and glass. Annealing tinsplate at a mile-a-minute clip. Forming panoramic automobile windshields.

Hardening bearings and metals requiring abrasion-resistant surfaces, and strengthening steels that must resist high shock loads.

Baking enamel and porcelain finishes on appliances. Doing hundreds of commercial baking and cooking chores.

Wherever controlled, economical, clean heat is needed, you'll find natural gas being used. That's why the demand for this energy fuel is growing, constantly... and why Texas Eastern's role as Pipeliner of Energy daily grows in importance.

Letters To Santa

Dear Santa:

Here it is Christmas again and it is time for me to look around and see how good I can be. As you know Santa it is hard for little boys to be good all the time, but I am trying hard.
I am hoping you can find something in your toy bag for Paul and myself. Santa, as for what I would like to have is a Diesel Electric train, farm set, trumpet, doctor set and wood burning set.
Thanking you for whatever you give us Santa.

With Love,
Steven Burde,
Frankfort, Ill.

Dear Santa:

Please bring me a helicopter and car set, and an exploding

Bible church, which will be given Sunday, Dec. 18 at 7 p.m.

boxcar with missile.
I also need some train accessories.

I will be a good boy. Please bring my brother and sisters some gifts too.

Bobby Fonte,
New Lenox, Ill.

Dear Santa:

Here is my Christmas list. Machine gun, paint set, farm set and books.

Lloyd Jensen,
Mokena, Ill.

Dear Santa:

I want a truck and I want a little play car; also a little toyman and a little play drum.
Good-bye Santa Claus.

Jim Yarbrough,
Mokena, Ill.

Dear Santa Claus:

I was a good boy and learned my Sunday School verses and my Mommy says that if keeping a good boy you will leave me some presents for Christmas. I want a train and steam shovel for Christmas. Also bring something tiny for Randy because he is so little to ask for them. Ho-ho-ho! I love you.
Dale Ridderhoff,
Mokena, Ill.

Dear Santa:

I would like to get fuzzy bedroom slippers and a nurse's kit for Christmas and two puppets. I am a good girl and I mind my Mommy and Daddy and help at home. Please bring my brothers something too. I wish I

Santa Claus will be Mokena on Saturday, Dec. 17, according to a wire received by Art Melin of the Mokena Pharmacy. He'll ride in a red convertible on Wolf Road between Wolf Rd. and Division St.
The telegram read as follows:
Dear Art:
Haven't seen you since the good old days we used to spend in the frozen areas of Europe. Sure want to see you and all your friends in Mokena. I have arranged to fit Mokena into my Saturday, December 17, schedule. Have red convertible ready. If it snows, you know what to get ready for me. Arrange for me to ride up and down Front Street between Wolf Road and Division St. Anxious to see all the youngsters of Mokena.
Your Friend,
Santa

Mrs. Lydia Ryan attended the concert in Orchestra hall, in Chicago last Friday afternoon. She heard the spectacular Russian violinist, Leonid Kogan who played with the Chicago symphony orchestra. The guest conductor of the orchestra was Paul Klepki from Lodzy, Poland. Two years ago there was

a cultural agreement made between this country and Russia for exchange performances of musicians and this is the first time Leonid Kogan has been in our country. He was well received and played before a full house.

Mrs. Arnold Groth of Kenosha, Wis., who had died in her home, was buried in St. John cemetery. She was the former Henrietta Bonness of Mokena. Her husband also is a former Mokena resident, being the son of the late John Groth and sister of Mrs. Harvey Spiess and Mrs. Charles Dalamris, both of Joliet.

Seal Sale In Will County At Half Mark

The Christmas Seal sale in Will county has reached a total of some \$21,000 or about half of its quota for the campaign. Cards were mailed out last week to persons who had not

sent in their contributions asking them to do so as soon as possible so the campaign can be closed.

No personal solicitation is made in the Christmas Seal sale. The seals are mailed out to the people and the donations are mailed back to the Will County Tuberculosis Association.

Proceeds from the sale are used in aiding the fight against tuberculosis on a local as well as a national scale.

Contributions from the area up to the close of last week when a report was made, were: New Lenox township, \$683.75; Frankfort twp., \$649.50; Homer, \$286; Green Garden, \$47.40; Manhattan twp. \$229.95; Peotone twp. \$395.30; Will, two, \$46; Lockport twp. \$2,414.48.

IN OR OUT? That is what these Oak Lawn observers are wondering about at the moment. As a matter of fact the question could be regarded more in a rhetorical sense because it was clearly evident that the game was in the bag for Lincoln-Way. You know how it goes when a team is making points — they just keep popping the ball thru the webbing and this was no different, Duane Warning is the Lincoln-Way man putting the ball thru the hoop.

Knights Tap Spartans 62-32, Meet Reavis Tomorrow Night

BY BILL SLUIS
The Lincoln-Way Knights took an easy 62-32 victory over the Oak Lawn Spartans Friday night to extend their victory skein to four straight. The Knights jumped to a 15-0 lead early and were never threatened by the Spartan quintet. High scorer was, as usual, Skio Kruczich of Lincoln-Way, especially outstanding in the first quarter, when he bagged six buckets for 12 points. Second in scoring was Randy Richardson of the Spartans with 15, and Duane Warning of L-W had 13. There were closely followed by Ron Yunker, who sacked 12.

In the first quarter the Knights jumped to a 17-1 lead. The only Oak Lawn point was a charity shot by Randy Richardson. Hostilities continued in this vein until late in the second quarter when Coach Joe the second string. At half time the score stood 27-6 in favor of the Knights.

Oak Lawn closed the gap somewhat during the third period, since the Spartans were facing the L-W second stringers. But, at the quarter's end, the Knights once again had their starters.

From that point on the game was strictly a blitz, the Knights dumping in 26 markers during the final period. At the conclusion the Knights were on top by 30, 62-32.

This week finds the Knights now tied for top spot in the South West Suburban league, journeying to Reavis for their third SWS encounter. Lincoln-Way owes Reavis' Rams a goodly share of lumps, because Reavis won two from the Knights last year. The game will take place tomorrow evening at 8:00 p.m.

Holiday Cage Tourney On At L-W Dec. 28-30

Lincoln-Way high school is to be host at a holiday basketball tournament Dec. 28-30, in which eight teams are entered. Play is to begin at 1:30 the afternoon of Dec. 28 with Grant Park and Mokena in the first game. Manteno and Braidwood play in the other matinee bill and the third game, slated for 7 p.m., will pit Lemont against Bradley. Thornton Fractional, North, and Lincoln-Way will be in the nightcap.

Winners of games 1 and 2 will play at 7 p.m. Dec. 29 with winners of games 3 and 4 meeting around 8:30. The finals are scheduled for Dec. 30.

Form New 4-H Club

Members of the 4-H Dog care project of Will County, a newly formed organization, met for its first meeting, Thursday, Dec. 1 in the Schuyl school, New Lenox with the club's project leader Mrs. Cleda Olsen. Plans were made for future winter meetings.

Slides were shown by Mrs. Olsen on dog care clubs and their functions; also two movies on the local dog show held last year and the dog show in Canada.

The next meeting will be held Thursday, January 5 at 7:30 p.m. in the school. Twentyfour members and parents attended from Manhattan, Wilmington, Lockport, Plainfield and New Lenox.

At the close of the meeting refreshments were served by Danny Geist and his parents of Elwood.

Varsity Wrestlers At L-W Divide Week-End Honors

Varsity wrestlers of Lincoln-Way divided honors last week-end. They lost to one of the toughest teams of the SWS conference, Oak Lawn, on Friday night there and on Saturday defeated their visitors from West Chicago.

The score was close in the conference match, Oak Lawn scoring 26 points to the Knights 22. Each team won six matches but Oak Lawn went ahead on points garnered thru pinning opponents.

To pin a man gives the victor five points; to win on a decision is good for three points. Oak Lawn won four matches on pins while Lincoln-Way had to be content with two, one by John Charvat and the other by Bob Edmondson.

The frosh-soph squad also lost to Oak Lawn, 28 to 22.

In the matches with West Chicago the Lincoln varsity won 27 to 18 and the frosh-sophs also were victors, 30 to 18.

In the varsity matches Cliff Cheatwood, Mokena, Tony Santarelli, New Lenox, and Edward Smith, Lincoln Estates, extended their wins to four straight each.

Suspension of drivers' license due to three violations were ordered in the case of Albert H. Krusemark, 231 Oak, Frankfort, a student at the U. of I., and Daryl E. Larson, Orland Park, Rural Route 1., by the Secretary of State office, Charles H. Carpentier.

WRESTLERS WORKOUT at Lincoln-Way. Edo Campi, an exchange student here from Milan (Italy) is using a "whizzer" under the directions of Jim Walsh (right) to break up a single leg clip which is being used by Bill Harder. Edo's left forearm is under Harder's upper arm, and Edo's left hand is spread there just above his knee. If it works right when Edo makes an upward and circular movement like wielding a shovel Harder would land on his nose.

Eagles Sweep Double Bill

Sandburg cagers took a hotly contested win from the Evergreen Park Mustangs on the Mustang range last Friday night by a 65-50 score. The game was a thriller from the starting whistle with both teams giving their all in the thrill and determination department. At the end of the first quarter Sandburg held a slight edge of only four points when the buzzer showed the tally to be Eagles 14 Mustangs 10.

Going into the second quarter with the realization that this was no easy victory for either team. Both squads renewed the attack with vigor. However Evergreen did only half as well in acquiring points in this portion of the game as Sandburg. At halftime the score stood Sandburg 29, Evergreen 18.

The Mustangs started coming along a little stronger in the third quarter, but the Eagles

still picked up another 14 points against their opponents 12. In the final quarter the Mustangs made their best showing of the night. They racked up 25 against the Eagles 17 but it wasn't enough to turn the tide. Final score: Sandburg 65, Evergreen 50.

High scoring honors for the Eagles were shared by Ron Lindgren and Bill Gourney with 15 points apiece. The Mustangs high point man was Tripton with 14.

Sandburg led with 23 field goals against Evergreens 20, altho the Mustangs topped the Eagles in free throws 15 to 14. The Mustangs led in fouls for the game 17 to 14.

Two alternates that are seeing quite a bit of action with the Sandburg team this year are Ted Levine a 6 ft, 165-pound guard and Lynn Conrady 6 ft, 175-

pounds, also in the guard position. Coach Adams is well pleased with the efforts of both and predicts that they will add quite a bit to the team effort in the future.

In regards to future outcome of games on the schedule Adams would rather not comment.

"The boys are still not working out as well as I had hoped they would at this stage of the season," he said. "The win over Evergreen was a morale booster, but some of the toughest games of the season are ahead, we'll just wait and see what happens."

The Sandburg Fresh-Soph teams win over Evergreen made it a clean sweep for the night with a 50-25 score.

The Eagles next trip to the wars will be tomorrow night (Friday) at Oak Lawn. The next night (Saturday) they will be hosts to Reavis.

CARD OF THANKS

Did the words "Thank You" ever seem to lack enough meaning at a time when you needed to use it? That is the way it seems to me just now. "Thank You" seems so little to say for the many prayers, cards, letters, gifts, calls at the hospital, and the many acts of kindness shown my family while I was away and since returning home; but believe me, when I say that "Thank You" it comes from the very warmest corner of my heart. Truly your actions have spoken louder than your words. May God bless each of you as He has blessed me with your friendship. Mrs. Harold Lotz

Girl Scouts To Present Gifts At Hospital Ward

MRS. SHERMAN KNOX
Tel. FI 9-0211
Girl Scout Troop #311 will go Christmas caroling Tuesday, Dec. 20 at Silver Cross hospital in Joliet. Each girl will bring a child's book wrapped as a Christmas gift for one of the patients in the children's ward. They are also trimming a tree for the hospital with decorations they have made themselves. The girls in the troop are: Muriel Ballou, Diane Duehr, Jeanne Scheber, Lynn Shroats, Vivian Yang, Nancy Davidson, Joan Kane, Kathy Wiest, Kathy Kane, Linda Piper, Ann Paschall, Marjorie Gilbert and Judy Novak.

Also Betty Anne Bartell, Susan Schrank, Charlotte Von-Vogt, Debbie Davidson, Linda Horn, Jean Richardson, Louise Wydeveld, Linda Mrozek, Sandra Karabe, Mary Ann McBride and Barbara Schrank. Their leaders are Mrs. J. E. Bartell and Mrs. J. Herron and Mrs. R. Yang co-leaders.
Five girls of the troop participated in an investiture ceremony November 22 at which they made their "fly-up"; going from Brownies to Girl Scouts. The girls in the troop made table favors and little angels for the Jr. Women's Club Christmas party as the club is their sponsor. The girls taking part in the ceremony are: Marjorie Gilbert, Mary Ann McBride, Jean Richardson, Ann Paschall and Debbie Davidson.

WOMEN'S CLUB

A covered dish luncheon will be served at 1:00 p.m. when the Woman's Club meets Wednesday, Dec. 21 at the Community Center Foundation.

Mrs. E. W. Schuessler, music chairman, will present the Suburban Chord-Aires for the afternoon program. Hostesses will be Mesdames: Wilber Lang, chairman; Orville Schmaedeke, Thomas Wheeler, Sigmund Smith, Stanley Knight and Arthur Cocherell.

FIREMEN AUXILIARY

The Auxiliary will meet in the fire hall, Monday, Dec. 19 at 6:45 p.m. Members are asked to bring a \$1 gift exchange for the party which will follow the business meeting.

Mr. and Mrs. Ralph Town, daughters Sally and Mrs. Joyce Uthe and son Robert and wife attended funeral services Monday, Dec. 5 for Robert F. Hillhouse, father of Mrs. Town. Services were held December 7 at Bellevue, Ohio.

Dr. and Mrs. Wesley Lindquist, formerly of Orland Park and now residing in Chicago, entertained the following guests: Mrs. Karl Ekberg, Ivar Benson, Mr. and Mrs. Harry Pihl, Mr. and Mrs. Harry Anderson, Miss Augusta Peterson, Mr. and Mrs. George Gee and Mr. and Mrs. Richard Pihl. Following the dinner slides were shown on various trips the couple have taken, one of which was to the Orient.

Louis Nicolai suffered a stroke last Thursday, Dec. 8 and was removed to St. Francis hospital, Blue Island.

Mr. and Mrs. Harry Pihl, Mr. and Mrs. Harry Anderson, Mrs. Karl Ekberg, Mr. and Mrs. Richard Anderson and Dr. and Mrs. Wesley Lindquist had a surprise party on Mrs. Sigmund Smith honoring her birthday. Friday Dec. 9.

Lemont Indians Rate High In Holiday Tilts

BY RUSS SANDBERG

The Lemont Indians have their work cut out for them during the holiday basketball season. They will enter two tournaments and if the dope sheets all work out correctly, they will probably meet Lincoln-Way's Knights in both. The Knights are one of the area's strongest teams this year.

Dec. 20, 21, 22 and 23 the Indians will travel to Crete-Monee for their holiday tourney. At this writing the pairings for the tournament had not yet been made. When they are picked, this reporter will give them to you immediately.

The top three teams in this tourney appear to be Lincoln-Way, Lemont and Peotone, in that order. Also entered are the home team, Oak Lawn, Evergreen Park, Beecher and St. Anne.

AT LINCOLN-WAY

In Lincoln-Way's holiday tourney there are also eight teams entered, Bradley, Manteno, Moline, Grant Park, Thornton Fractional North, Braidwood and the host team will join the Indians in three days of battle, Dec. 28, 29 and

30. The Knights are favored in this one too, with Lemont and Bradley next in order.

Parings on this one were not out at this writing either, but we will report them to you as soon as they are announced.

The Lemont Indians kicked off the current season in fine order winning their first three games from Reavis, Thornton Fractional North and Oswego, but by narrow margins.

Coach Hal Julian's charges are one of the best Lemont squads in recent years and may be expected to give a fine account of themselves this year. Coach Julian is a graduate of Illinois State Normal and coached previously at Rochelle, Ill. before taking over his Lemont job. He teaches math and physics and happily admits to being a bachelor.

Here are a few capsule comments on various squad members:

Dale Johnson - 6'4" senior forward has earned two varsity letters already and is noted for his fine shooting and rebounding. Bill Yates - 6' is a senior forward who was a regular last year too. He is valued for

his fine all-round play and leadership ability.

Towering Mike Law, 6'6" senior center does a major share of the rebounding. He is perhaps the most improved player on the team. Bill Schulmeister, 6' 2" senior forward is a top reserve and has been on the team for two years.

Junior guard Bill Wesolowski, 6' possesses a fine one-hand jump shot and is noted as a good driver. Phil Biesemeyer, 6'1" senior guard saw little action last season but has earned a starting berth this year. He has a good outside shot.

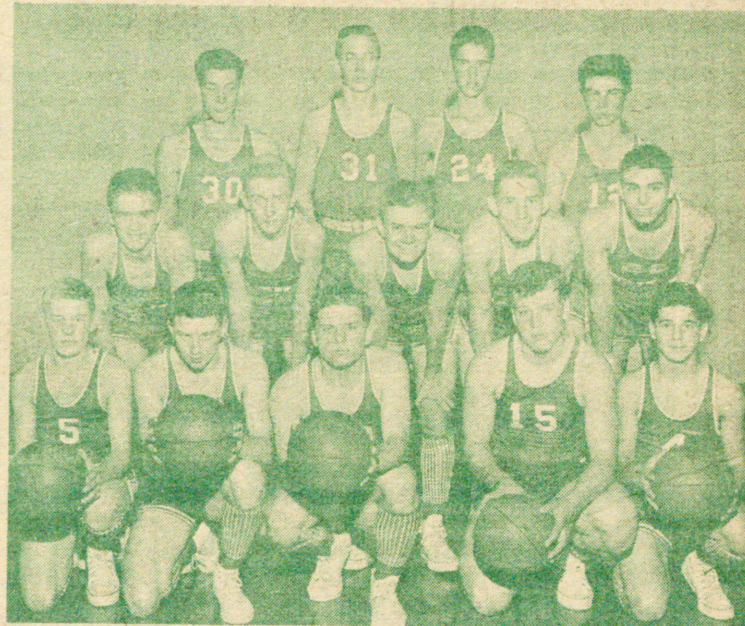

Jim Virtel, 6'2" junior forward was a leading scorer on last year's frosh-soph team and may well earn a starting spot on the current varsity. Paul Powers 5'6" junior guard is a good ball handler and has a nice touch with the one hand jumper.

Jack Hanley, a 5'11" junior guard earned two frosh-soph letters and will be in contention for a top position on the team. Bernie Heinz, 6'2" senior center is the squad's morale booster. His size and hustle make him a valuable addition to the team.

Pushing the first string for all they are worth will be Rob Garvey, 5'6" junior guard, Dick Gotlund 5'3" junior guard, Vernon Spencer 5'11" senior forward, Joe Witt 5'9" junior guard and Frank Zurn 5'11" junior forward.

Taft Tournament

Grade Schools in the Golden
Triangle Newspaper area will
take a brief rest in basketball
competition during the immedi-
ate holiday season; but come
Jan. 5 and Taft school in Lock-

port will play host to an out-
standing grade school tourney
that is famous throughout Nor-
thern Illinois.

This year there will be 16
schools entered and each school
will field four different teams.
There will be competition in
heavyweight, lightweight, ban-
tamweight and flyweight bra-
ckets.

A big trophy will go to the
school with the best overall
record of wins in the tourney.

Date of the tournament which
will be played on week nights
and all day Saturday is from
Jan. 5 to Jan. 14.

The entries which Taft bas-
ketball coach Chuck Hoscheit
has already obtained include:
St. Dennis (Lockport) Rockdale,
Laraway (Joliet), Troy, Mo-
kena, Coal City, Limestone
(Kankakee), Williams mili-
tary Academy (Wheaton), Chan-
nahon, Braidwood, St. Jude,
(Joliet) Richland (Crest Hill),
Custer Park (Kankakee), Kel-
vin Grove (Lockport), Lemont,
Frankfort and St. Joseph's
(Lockport) The pairing will be
announced at a later date.

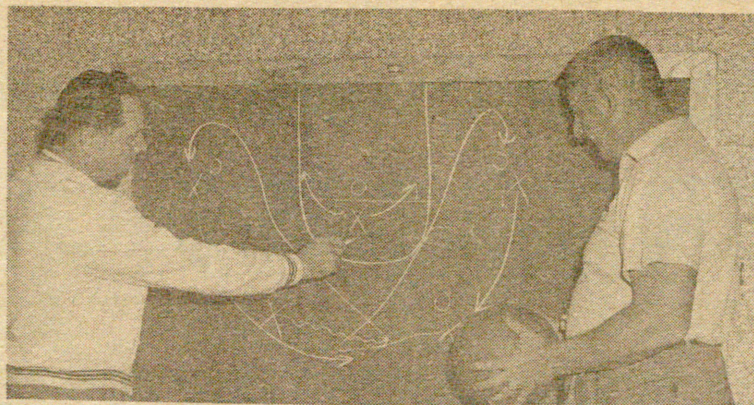

OTHER TOURNAMENTS

Later on in the school year
the DesPlaines Valley Grade
School Conference has a pair
of tournaments scheduled.

Jan. 30 to Feb. 4 the schools
will play their lightweight tour-
ney at Manhattan. The draw-
ings will be made from the con-
ference standings.

The heavyweight tournament
will be held from March 6 to
11 at Laraway School in Joliet.

WHOSE ARM IS WHICH may appear to be a problem when
one first glances at this picture but one knows the situation
is only temporary. Sometimes wrestlers get so knotted up
it takes the referee to unsnarl them but in basketball it is
quite simple. When the ball comes down so do the arms
and every player has his own. This scene was in the varsity
L-W - Sandburg game recently at Orland Park. No. 21 is

Lockport Enters 2 Holiday Tourneys

The Lockport Township High School basketball squad has a heavy schedule of holiday games ahead. They will enter the Naperville Holiday Tournament Dec. 20, 21, 22, and 23. Their first game will be with Sandwich and if all goes well they can expect to come up against a tough Wheaton squad in their semi-final tilt. Wheaton is expected to beat plainfield easily.

In the lower bracket will be Naperville, Lisle, St. Procopius and Yorkville. The Porters are seeded fourth behind Wheaton (1), Naperville (2) and St. Procopius.

Soon after this tourney the Porters will enter the Pontiac Holiday Tournament Dec. 28, 29, and 30 which has not yet announced pairings. However the Porters will find this one much rougher going. Last year they moved past Jerseyville and Pontiac before losing to Proviso East in the semi-finals.

Of these teams only Pontiac remains in the current tourney lineup. Big guns in this year's holiday battle will be Springfield, Waukegan, Edwardsville,

Jacksonville, LaSalle-Peru and Maine West of DesPlaines.

Also entered will be Rock Island Alleman, Anna Jonesboro Bloom of Chicago Heights, Clinton, Lincoln, Princeton, Peoria Richwoods, and Watseka.

ONE AND ONE

Prior to this writing the Porters had only played two games, beating Thornridge 48 to 33 and losing to Joliet Catholics 65 to 40.

Coach Bill Connors has a relatively green team this season with only Bruce Fulton of last year's starting five back on the squad. Fulton is one of the best athlete's in the school's history. Connors has found a junior center, Rich Acuff at 6'5" to be a good rebounder and fair shot. He expects Acuff to come along well.

Tall (6'3") Larry Flory played some last season and is working well on the boards. He needs to sharpen up his eye to give the squad some scoring punch.

Ken Kirk, a guard with a twinkle in his eye and a love of contact under the boards vies with Rich Spink, a good playmaker who needs to sharpen his passing and Bob Pinnick a good

shot that needs experience to learn the patterns, but has a good eye, for the starting guard slot alongside Fulton.

At forward it's anybody's guess from game to game who will pay the most. Coach Connors doesn't hesitate to substitute, depending on the need and the quality of play. Bob Gatson, though a junior and 5'11" can rebound with the tall ones and has led his teammates in scoring. Joe Simon, 6'2" has quite a bit of experience, and can play a top flight game when he's on; so far this year hadn't had a really good night. Bill Carr a 5'11" senior works hard and moves fast but needs more experience to improve his scoring potential.

Also pushing the rest of the team are a group of good reserves. Rolin Bolattino is 6'2" and often enters the game as the first substitute, but he needs to score to keep a spot. Ed Duncan, Jim Goeke, Ed Mitchell and Joe Sartori are all pushing for a starter's position but must click in the scoring and play-making charts before they can bump one of the first 10.

GOOD LAST YEAR

The Porters inherited a winning tradition from last year's team which posted a 25 win and 6 loss record topped with

the Regional Tourney Championship won from Bloom 54 to 49.

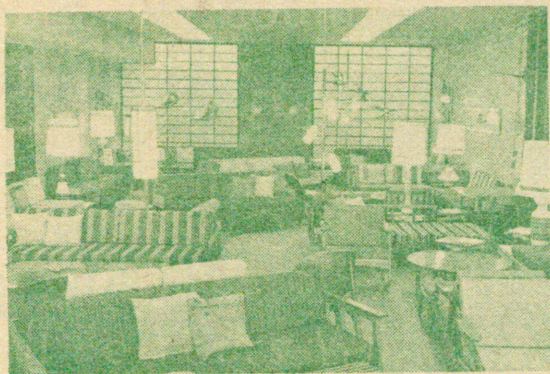

A team that plays South Suburban League opponents for a full season runs into some of the best in the state, and the Porters have a real seasons' job cut out for them.

Coach Connors is not yet reserving any rooms for the State Tourney at Champaign

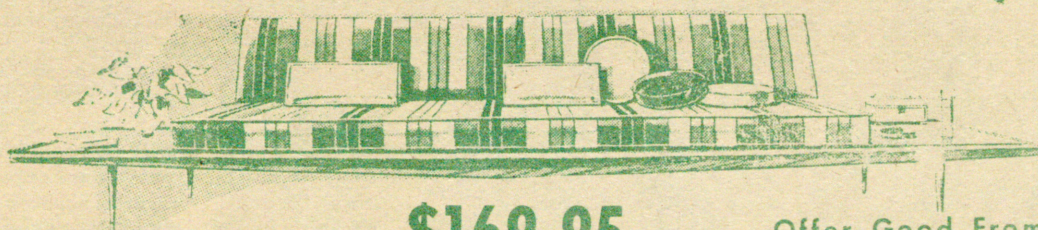

but he does feel his boys are capable of playing top-flight ball.

When the squad begins to click and someone in addition to the invaluable Fulton, finds they can get 15 or 20 points a game, then Lockport will become a squad to contend with the best.

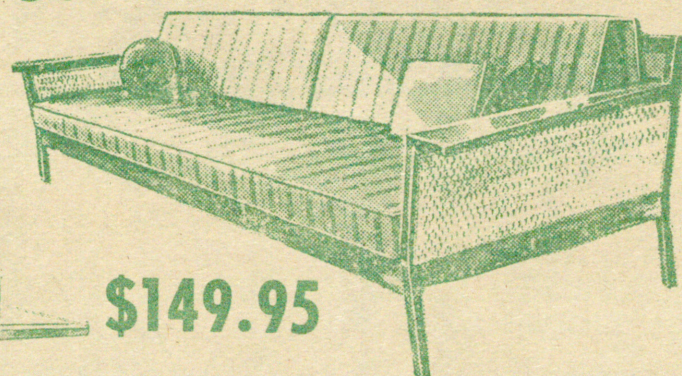

It may not be too long before such good things happen.

Bremen Expects Busy Year

Successful Prior To The Holidays

The Bremen Braves have started off the current season batting 1,000 and will do their very best to keep knocking off all the opponents they can.

They have defeated Thornton Fractional South, Oak Lawn and Thornridge. No holiday tournaments are on the Brave schedule but it will not be a time to sit back and eat turkey. They will be practicing hard to improve their record as Coach Bill Brown expects plenty of still competition ahead.

The big guns of the Southwest Suburban conference this year are Lincoln-Way, and Homewood-Flossmoor and they should offer lots of headaches. However Brown is optimistic too and has great confidence in his boys.

Brown is in his eighth year at Bremen. He has been the Brave coach since 1952 when he came to Midlothian from St. Louis, Mo.

TALLEST BOY

Tallest boy in the starting lineup is 6'5" John Ragsdale. John is a senior and the teams leading rebounder. In fact he is one of the finest rebounders in the suburban area. If he learns to combine some shooting accuracy and general scoring ability he can become the team kingpin.

Allan Lussow is the leading scorer of the team at guard. Allan is the soph coach's son and has learned how to rebound and develop team play with the best from his 6'4" spot under the boards.

At the other guard is John Mannaioni, the 5'10" playmaker and set-up man for the squad. He has a good shot from outside too.

Rich Norbut, 6'1" forward has been hampered by a sore shoulder from football season, but has been doing well on his outside shooting in spite of it.

Phil Tunstall a 6'1" forward for the Braves has developed a nice fluid shooting motion that is sure to increase his scoring ability for the team.

Pushing the first string hard will be three good reserves. Verne Sloan a 5'10" guard is learning fast. Fred Cornish a big rugged boy at 6'1" needs polish, but he is a fierce competitor, especially on rebounds. Tom Diehl, 6' is also shooting for a starting spot with all he has.

Last year the Braves did just slightly better than 50-50 and were conference champs three years ago. The 1960-61 season looks like a pretty good one. With the full potential of these boys working for him Coach Brown should give the tough teams plenty of trouble.

Knights Get Nod In 2 Holiday Tourneys

BY BILL SLUIS

The Lincoln - Way Knights, who have enjoyed astronomical success thus far this year, are scheduled to play in two holiday tournaments this season. The first will take place Dec. 21, 22, and 23 at Crete-Monee. The second tournament will be hosted by the Knights, and will take place at Lincoln-Way Dec. 28, 29, and 30. It will be the first such tourney ever held at Lincoln-Way.

The Knights have an excellent chance in each of the tournaments. The consensus of opinion is that they have the experience, the coaching and the personnel.

The Knights are in no way short on experience. The first five is the same as last year's, when the Knights had a 14-10 record and finished third in the powerful Southwest Suburban Conference.

Lincoln-Way has the coaching. When Knight mentor Joe Kruzich took over two years ago, Lincoln-Way was the conference doormat. This is no longer so. Last year the Knights finished a strong third in the SWS, and were the only team

in the league able to whip the champion Carl Sandburg Eagles. This year almost everyone picks the Knights to take the crown. If the Knights win, it will be a suitable tribute to the fine job Kruzich has done as their coach.

The Knights have the personnel. In Skip Kruzich and Duane Warning they have the two finest players in the Southwest Suburban Conference. Skip who is coach Joe Kruzich's son, averages 21 points a game, and he nets most of them from 25 and 30 feet away. Through his first three games Skip shot 54% from the field. What's more, Skip is a demon on free throws, having hit 22 of 24 for a 92% mark. Last season Skip was named to numerous all-area teams, including the selections made by the All-Conference team.

ANOTHER GEM

Warning is another gem in the L-W crown. He is without doubt the finest center in the conference. The big (6'5") man handles himself well under the boards, sweeping the blackboards on either end of the court. Duane is an excellent shooter who can be expected to average 15 or more points per game.

Other cogs in the Lincoln-Way wheel are Ron Yunker, Al

LINCOLN-WAY FROSH-SOPHS — Members of the Lincoln-Way freshman-sophomore basketball team this season are: (from left) front row, Arnold Blaylock, Paul Brown, Bill Wennlund, Jerry Sayers Kurt Fredin; middle row - Ron Badten, Doug LaVinn, John Selnik, Jim Wiegel, Warren Wonders and back row - Richard Hughes, Roger Kadow Dan Lajcin, Jim Miller and Karl Erickson.

Golden Triangle Photo

Waldvogel, Dan Fenn, Ron Cramer, and Bob Lichtenwalter. These fellows round out an excellent team.

The Knights average about 60 points per game, and should not be expected to exceed 75. From the field they hit about 45% and 67% of their free throws.

Plans outlined for the Lincoln-Way tourney are as follows:

It will be a double elimination tournament, with trophies awarded to the winners, the second team, and to the first consolation team. Action will begin at 3:00 p.m. on the 28th and 29th and there will be four games on each of these days. On the 30th action will begin at 7:00 p.m. with the first consolation game. The championship game will take place at 9:00.

Teams entered will be Bradley, Manteno, Momence, Grant Park, Thornton Fractional North, Braidwood, Lemont and the host squad.

In the Crete-Monee tourney scheduled Dec. 21, 22, and 23 these teams will challenge the Knights: Beecher, Peotone, Oak Lawn, Evergreen Park, Lemont, St. Anne and the Host team.

Sandburg Opens Year With Slow Start But Has High Hopes

Basketball Supplement
December 15, 1960 Page 11

The Eagles of Carl Sandburg High at Orland Park will not take part in the Christmas tournaments but they still have lots of work to do.

Coach Bill Adams will continue the regular practice schedule in order to round off some of the rough edges of the current Eagle unit.

To date the Sandburg squad has had only one win in four games. This was a 67-30 defeat of Thornridge, a brand new South Suburban Conference squad. They lost to another SSL team, Blue Island 45-36. In their own conference, the Southwest Suburban, they have met two of the best teams in it and given a good account of themselves. However they lost to Lincoln-Way 47-38 and to Riverside-Brookfield 77-58.

The team is short on experience but long on hopes. Coach Adams has plenty of ammunition in his first string, but they have not yet become a real clicking unit. Four of the first five are seniors and the center is a junior.

Center Lance Roberts is the tallest member of the squad

at 6'4" and he is learning the ropes of varsity competition. He is eager and can be expected to develop into a good team man.

LEADING SCORER

Ron Lindgren, 6'3" senior is the leading Sandburg scorer and sweeps the boards like a new broom. If Adams can dig up another boy who can score, things will brighten considerably.

Paul Busch, 6'1" at the other forward snags his share of rebounds too and may well be that other sharp-shooter.

At the guard slots are Duane Erickson 6' who combines outside shooting and ball-handling and Bill Gorney 6'1" who helps set up plays and rebounds with the best of them.

The brother combination of Ted and Jim Levine, two six foot tall seniors provides Coach Adams with his key substitutes. Both boys can rebound and shoot and will push the first string hard all season for the starting slots.

Last year the Eagles posted an enviable 22 win and 5 loss record and won the Southwest Suburban title. They will be giving all they can to produce a similar record this year.
